

## PRIVACY POLICY

**Status: 1.10.2016**

Protecting the security and privacy of your personal data is important to EMRAX. Therefore, the EMRAX company referred to under "EMRAX" operates its website in compliance with applicable laws on data privacy protection and data security.

In the following, we provide information on the kinds of data we collect on EMRAX website, the purposes for which we use such data, and the parties with which we share such data, where applicable.

### Collected data and purpose of processing

We use cookies on our website. A cookie is a piece of data stored on a site visitor's hard drive to help us improve your access to our site and identify repeat visitors to our site. For instance, when we use a cookie to identify you, you would not have to log in a password more than once, thereby saving time while on our site. Cookies can also enable us to track and target the interests of our users to enhance the experience on our site. Usage of a cookie is in no way linked to any personally identifiable information on our site. You will find additional information on this subject in Cookie Policy on our web site. This policy also tells you how to block the use of cookies and the use of data collected by cookies in anonymised or pseudonymised usage profiles.

Accesses to our website are logged for the purpose of security analysis reports and to defend against cyber-attacks. With the exception of the IP address, no personal data is ever collected or used in this connection. IP addresses are analysed only in the event of a cyber-attack. Log data is promptly deleted on a regular basis.

In addition, we collect personal data (e.g., names, addresses, telephone numbers, or e-mail addresses) in connection with the operation of our websites only when you have voluntarily provided such data to us (e.g., through registration, contact inquiries, surveys, etc.) and when we are entitled to process or use such data by virtue of permission granted by you or on the basis of a statutory provision.

As a general rule, we use such data only for the purpose for which you divulged the data to us, such as to answer your inquiries, process your orders, or grant you access to certain information or offerings.

### Sharing of data

Insofar as you have provided your consent or when we are otherwise legally entitled to do so, we will share your personal data with subsidiaries of EMRAX, where applicable, for the purposes indicated above. In connection with the operation of its website and the services provided by way of the website, EMRAX works with service providers such as hosting or IT maintenance service providers, for example. We do not sell or otherwise market your personal data to third parties.

### Links

Our web site contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

### Questions and comments

EMRAX will respond to all legitimate requests for information and where applicable, to correct, amend, or delete your personal data. If you wish to make such a request or if you have questions or comments about this Privacy Policy, please contact us by email and send us your questions and suggestions.

### Validity and changes

This Privacy Policy is updated from time to time. You will find the date of the last update at the top of this page.
